

# Moving Up Day

Preparing primary  
pupils for their transition  
to secondary school

## 1 What is it?

The move from primary to secondary school is an important step in the journey of a young person.

Our **Moving Up Day** aims to support pupils to make the best possible start to their secondary school life by helping them prepare practically, emotionally and spiritually for this step

## 2 How does it work?

Flexibly suited to the needs of your primary school, core elements of the day include: -

- an engaging introductory assembly
- a carousel of workshops exploring themes such as identity, friendships and journeys
- a reflective activity celebrating their time at primary school
- a fun, interactive quiz to conclude the day.

Each pupil also receives a booklet to complete during the day that can be taken home and shared with parents.

### 3 How much does it cost?

The cost for the day is **£5 per pupil** (\*)

Included in the price is: -

- at least two team members per class group
- all the necessary resources and materials for the day
- a booklet per student to take home and share with parents

Each member of the team holds an up-to-date DBS certificate which will be provided for verification.

(\*) Schools with fewer than 20 year 6 pupils will be charged a flat rate of £100.

### 4 How do I book?

Contact us to find out more and to book.

We will ask for a preferred date in the summer term and the number of year 6 pupils we will be working with.

We will need to work closely with you to tailor a timetable for the day and arrange suitable rooms.

We will arrange with you a site visit before the day itself and confirm the details

“Today has given me lots of courage to step up into a new year and a new school”
